WINE BY THE BOTTLE

THIS WEEK'S FAVOURITE

incl corkage

2022 Gai'a Wines "Monograph" Assyrtiko, Corinthia Greece 54

"The Assyrtiko variety originated in Santorini, Greece, and slowly travelled across the country. Growing in popularity and eventually finding its way to Nemea in Corinthia.

A wine with refreshing acidity and intense aromas of lemon, lime, honeysuckle blossoms and tropical fruit. There is an undeniable salinity, and savoury quality that makes for a perfect seafood pairing. Close your eyes and think of Greece!"

Want something else? All wines on the shelves are available to drink in – just add \$20 corkage per bottle to the shelf price (and yes, that applies to screw caps too!)
